

The 2018 Gala is a high-impact community celebration of quality education and the role the Forest Hills Public Schools Foundation plays in helping engage students and expand their horizons. It is one of the Foundation's special fundraising events. This year's Gala is November 7, at Frederik Meijer Gardens.

At the Gala, we will be promoting the Support our Schools Initiative. Administrators at each school have identified needs at their school(s). Guests at the Gala will have the opportunity to support the schools by funding those needs. **You don't need to attend the Gala to support this Initiative.** We are accepting gifts to support the Support our Schools Initiative now. Donor gifts will go directly to the school(s) of your choice! **By funding these needs, you have an opportunity to make a direct impact in the classroom.** Give securely online at www.fhpsf.org, by returning this form, or by calling the Foundation office at 493-8500. **Please help us help our schools!**
